Please send all emails regarding the club to the official email address:

Recent Events

February 1st - Race Night

This event had to be cancelled due to lack of interest from club members. Poor attendance at social events has become worse recently. Social events are run to make money for the club in order to keep **your** subs lower, so if you have not been attending events, we would like to get your views:

- a) did the event(s) clash with something else?
- b) what other fund raising activities would you prefer to the ones offered?
- c) would you prefer just to pay higher subs and not support social events?
- d) anything else?

Please email your responses to Mark at westfieldbowlsclub@gmail.com (responses will be treated in confidence).

Thanks to Sharon and Sheila for organising the Race Night.
